**SHEPHERD 1**

Get away! This well belongs to us!

**LEAH**

No, it doesn't! It's everyone's!

**KETURAH**

Our sheep need water!

**SHEPHERD 2**

Too bad. They're not getting water here.

**LEAH**

Our father's the High Priest of Midian.

**SHEPHERD 1**

Oh, the High Priest of Midian! That's even worse.

**SHEPHERD 2**

Your people caused all the trouble with the Pharaoh – just because you're too proud and stubborn to bend your knee.

**KETURAH**

That's right-

**MOSES**

Huh?

**KETURAH & LEAH**

*TA-MEED E'-HEH-YEH CHOF-SHE-YAH*

**SHEPHERD 1**

I lost my brother in the war your people started!

**LEAH**

You hit my sister!

**MOSES**

Stop! Let the girls use the well!

**SHEPHERD 1**

Who are you to give us orders?

**MOSES**

I am... nobody.

**SHEPHERD 2**

So nobody's going to get in our way! Let's get out of here!

**KETURAH**

Thank you... nobody.

**MOSES**

That's all right. Now if you'll excuse me, I just need a small drink of-

**LEAH**

He fell in! Why did he do that?

**KETURAH**

He seemed very tired.

**LEAH**

Don't worry, we'll get you out. Let's pull the bucket up.

**TZIPPORAH**

Leah! Keturah! Father's been looking for you!

**KETURAH**

Tzipporah! Help us!

**TZIPPORAH**

What are you girls doing?

**LEAH**

We're trying to get the funny man out of the well.

**TZIPPORAH**

Well, that's one I've never heard before! There's a man in the well!

**LEAH**

I just said that!

**TZIPPORAH**

Hold on to the bucket!

**LEAH**

He's coming up! He's getting higher! He's almost here! We got him!

**TZIPPORAH**

It's you!

**LEAH**

That's why Papa says she'll never get married.
