MEN

THERE SHE IS

There she is! Tow'ring high
Broad and grand - Ship of dreams!

Sailing day! Morning bright!
Take your flight, Ship of dreams!...

She strains at her lines the smoke from her funnels trailing...
Her prow like a knife she'll cut through the waves unfailing...

Soon to be underway
Size and speed, unexplored...
And I'll be aboard that ship of dreams!

BARRETT'S SONG

It became my dream to go out to sea...
Further out from the mine you couldn't be...
But born to the coal, there's no place for you elsewhere
You trade a life of dank and gloom
To shovel in the boiler room
But now you're seven decks below
A lady's dainty feet...

And nothing has changed there's nothing a miner can do
The pit and your mates turned into the hold and the crew...
And the screws are turning at seventy-two...

Faster and faster we watch as we gain evermore.
Seventy-three and too soon it is seventy-four...
For a record speed I believe we strive!
For the maiden trip that's too hard to drive.
If you push her faster than seventy-five.
That is the truth I swear!

MR ANDREW'S VISION

The ship will start to plunge beneath the surface
The water lapping at our feet
Down sinks the bow, up flies the stern to the sky...
The panicked people in retreat
A thousand strong, they'll climb up toward the aft deck
They'll cling there desp'rately, like bees to a hive!
There they'll hold fast, doomed to the last,
Lost and abandoned and all still alive...

A few of them will hang there from the railings
As one by one they'll drop away!
More than two-hundred-fifty feet they will fall
And after that I cannot say
I will not say!

WOMEN

LADY'S MAID

I will be a proper person, people will look up to me
What a girl that girl McGowan
Katie Violet Maud Marie.
I aspire to heights of glory in the new world that can be!
In that grandest nation I'll stand tall
Reach my very highest hopes of all...

I want to be lady's maid!
Lady's maid in America
In America the streets are paved with gold.

I want to be a governess.
Governess in America
In America it's better I am told.

I want to be a sewing girl.
Sewing girl in America
In America I'll sew till I am old...

I HAVE DANCED

ALICE
I have danced with the first-class, Edgar
It was oh, such a dream come true!

EDGAR
That class isn't for our kind, Alice...

ALICE
That won't do!

There are hotels on islands, Edgar!
Great resorts near a sandy beach...

EDGAR
That's a world that's beyond our income and our reach...

ALICE
Please don't tell me "never"
I'll want this forever... ever...
There's a new world around us, Edgar

EDGAR
Won't you ever give up that view?

ALICE
I want more than we've got now, Edgar
Why don't you?

STILL

Still, the way I love you
Still, lives in my heart

After all of the years we've been together
Holding our love. Still

The way you move me
Still, feels as it did when you first became mine
Whispered the words: "I will"
I loved you then and I love you still
